Synnefo - Bug # 1478

Status:	Closed	**Priority:**	Medium
Author:	Kostas Papadimitriou	**Category:**	Cyclades UI
Created:	10/11/2011	**Assignee:**	Kostas Papadimitriou
Updated:	01/16/2012	**Due date:**	11/11/2011
Subject:	IE copy to clipboard bug		

Description

After several recurrent create vm view uses, the copy to clipboard button stops showing.

It could be that IE has some issues with hidden flash objects (such as copy to clipboard util) The access to the object should be made as late as possible to be sure that the object is added to the DOM and is visible.

Associated revisions

Revision 35584d80 - 10/31/2011 11:18 am - Kostas Papadimitriou
