

Synnefo - Feature # 1371

Status:	Closed	Priority:	Medium
Author:	Antony Chazapis	Category:	Pithos
Created:	09/30/2011	Assignee:	Antony Chazapis
Updated:	02/08/2013	Due date:	
Subject:	Container block upload		
Description			
<p>We propose uploading using blocks, so we need a proper way of receiving block data from client software. The currently proposed '.upload' file solves the problem, but is incompatible with the logic of versions (will keep too many versions of no use).</p>
