

Synnefo - Bug # 1724

Status:	Closed	Priority:	Medium
Author:	Antony Chazapis	Category:	Pithos
Created:	12/01/2011	Assignee:	Sofia Papagiannaki
Updated:	02/08/2013	Due date:	
Subject:	Do not URL-encode all headers in python client lib		
Description			
Some headers should not be URL-encoded, as for example Content-Disposition.			
Decoded by the server:			
'X-Account-Meta-*', 'X-Account-Group-*', 'X-Container-Meta-*', 'X-Object-Meta-*, 'X-Object-Manifest', 'X-Object-Sharing', 'X-Copy-From', 'X-Move-From', 'X-Source-Account', 'X-Source-Object', 'Destination-Account', 'Destination'			
Encoded by the server:			
'X-Account-Meta-*', 'X-Account-Group-*', 'X-Container-Meta-*', 'X-Object-Meta-*, 'X-Container-Object-Meta', 'X-Object-Manifest', 'X-Object-Sharing', 'X-Object-Shared-By'			

History

#1 - 12/01/2011 01:01 pm - Antony Chazapis

- Subject changed from Do not URL-encode XML replies to Do not URL-encode all headers in python client lib
- Assignee changed from Antony Chazapis to Sofia Papagiannaki

#2 - 12/02/2011 11:00 am - Antony Chazapis

- Status changed from New to Closed

Decided to encode/decode all headers at the server instead. More at #1511.

#3 - 02/08/2013 06:59 pm - Vangelis Koukis

- Project changed from Pithos to Synnefo
- Target version deleted (0.8.1)

#4 - 02/08/2013 07:00 pm - Vangelis Koukis

- Category set to Pithos
