

Synnefo - Feature # 2462

Status:	Closed	Priority:	Medium
Author:	Vangelis Koukis	Category:	Cyclades UI
Created:	05/26/2012	Assignee:	Kostas Papadimitriou
Updated:	11/13/2012	Due date:	
Subject:	UI wording for SSH key management		
Description			
Step 3 of the Create Machine wizard could be more explanatory wrt to public key management, e.g. "Your account contains the following SSH public keys. Select one or more to activate in your new machine. You will then be able to ssh with the corresponding private key without a password."

Looks great on okeanos.io, there is an extra quotation mark at the end :-P

Closing ticket.
