Synnefo - Bug # 3088

Status:	Closed	**Priority:**	High
Author:	Vangelis Koukis	**Category:**	Cyclades Images
Created:	11/22/2012	**Assignee:**	Christos Stavrakakis
Updated:	02/11/2013	**Due date:**	
Subject:	Plankton barfs on image setproperty, if user doesn't own the image		
Description			

On okeanos.io:

    $ kamaki image setproperty bb6d5668-ba64-4485-abcd-b7470e028a95 users user
    serviceUnavailable: Unexpected error.

This should return HTTP 40x, not 50x, because I do not own the Image.
