

Pithos Web Client - Bug # 3111

Status:	Resolved	Priority:	Medium
Author:	Dionysis Zindros	Category:	
Created:	12/03/2012	Assignee:	Christos Stathis
Updated:	01/30/2013	Due date:	
Subject:	Context-menu unusable in Chrome 24		
Description			
Right-clicking on a file or folder in Chrome 24 makes the context menu appear, hide and reappear at regular intervals, making the feature unusable. The behavior of the context-menu UI in Chrome should be the same as it is in Firefox.			

History
