

Synnefo - Feature # 3348

Status:	New	Priority:	High
Author:	Vangelis Koukis	Category:	Astakos
Created:	03/01/2013	Assignee:	Georgios Tsoukalas
Updated:	03/01/2013	Due date:	
Subject:	Document the process for adding new resources into Astakos		
Description			
Produce exact documentation for how to:			
<ul style="list-style-type: none">- define new resources at the service level,- implement support for these resources in service code, e.g., inside the API implementation,- export resource definitions as JSON,- import these definitions into Astakos using snf-manage resource-create.
