Subject:	Make the function of "Empty Container" more explicit in the Pithos UI		
Description			
<p>"Empty container" does not give you an empty container, it actually purges all the contents of the container you right-clicked... without any warning.</p> <p>Rename the function to "Purge container" and add a very big, fat warning:</p> <p>"You are about to delete everything inside the '%s' container". <Delete everything> <Cancel>.</p>
