

Synnefo - Feature # 3524

Status:	Closed	Priority:	Medium
Author:	Christos Stavrakakis	Category:	pooling
Created:	04/02/2013	Assignee:	Christos Stavrakakis
Updated:	02/26/2014	Due date:	
Subject:	Use python-objpool		
Description			
Remove the pool module from snf-common. Update all projects to use python-objpool instead.			

Associated revisions

Revision 1a736ca8 - 04/08/2013 04:27 pm - Christos Stavrakakis

Use 'python-objpool' instead of 'synnefo.lib.pool'

Use the python-objpool package for pooling resources as object, instead of the pooling code that existed in snf-common ('synnefo.lib.pool')
