Synnefo - Bug # 3534

Status:	New	**Priority:**	Medium
Author:	Georgios Tsoukalas	**Category:**	docs
Created:	04/03/2013	**Assignee:**	
Updated:	04/03/2013	**Due date:**	
Subject:	Section numbers in docs		
Description			

Reading long structured documentation without section numbers is hard.

The whole docs being one document complicates things because
you can't have independent numbering in different parts of the docs.
